

Martin Maged Fahmy

Junior Electrical Power Student at Ain Shams University
+20 1282088119 martinmageddd@gmail.com linkedin.com/in/martin3 Cairo, Egypt

PROFESSIONAL SUMMARY

Electrical Power student at Ain Shams University with a rare blend of technical engineering skills and 5+ years of entrepreneurial execution. Aspiring Critical Facilities Specialist, BIM Engineer, and Power Distribution Engineer.

EDUCATION

Ain Shams University Faculty of Engineering - Electrical Power
October 2023 - Expected 2028

- President at ASUC, Project Manager at ASCE, Former Usher at Career Center.

Full Professional Electrical Engineer Diploma - Eduvate (Link 1) (Link 2)
May 2026 - September 2026

- Exposition to Tendering, Designing, Technical Office, and Light Current professions by experienced engineers.
- Mastering Softwares like Revit, AutoCAD, DialuxEVO, ETAP, and Excel.
- BIM Coordinations, SMART Cities, SMART MV&LV, EV Chargers, KNX, and Light Current Systems.

Patriarchal College - Private School

SKILLS

- **Engineering:**
  Live Digital Twins , BIM , Product Ownership , Building Management System BMS , Shop Drawing , Quantity Survey , Earthing and Lightning Protection , Short Circuit & Voltage Drop Analysis , Detailed Design , PV , Classic Control
- **Critical Facilities:**
  Tier I-II-III-IV , N+1 / 2N / 2(N+1) , EPSS , BESS , MOP / EOP / SOP , TIA-942 , ISO 50001 , NFPA 70E , CRAC , CRAH
- **Light Current LC:**
  IP Structured Cabling , Fire Alarm , Nurse Calling , CCTV Security , Data , Telephone , Access Control
- **Codes & Standards Familiarity:**
  IEC , NEC , ECC , SBC , NFPA , BS , CIBSE , NFC
- **Computer Skills:**
  Revit , Tandem , Custom websites for Digital Twins , Navisworks , ETAP , AutoCAD , DIALux Evo , PVSyst , Siemens TIA , LogixPro , CADe Sim , FactoryIO , Excel , PowerPoint , Google Workspace , C++ , N8N
- **Soft Skills:**
  White&Yellow Belt Six-Sigma , Mentorship , Collaboration , Administration , Presentation , Report Drafting

EXPERIENCE

Freelancer Electrical Engineer | Self-Employed Freelance
October 2026 - Present

- Submitting concept and schematic electrical designs and shop drawing plans for residential and commercial buildings.

Intern Design & Product Owner Engineer | Dar Al-Handasa, Sidara (Link)
August 2026 - September 2026

- Graduation Project: BIM Design Workflow on a school project in coordination with all 4 disciplines in Revit including Break-Down Load Estimation, SLD, Power Plan, Lighting Plan, Lightning Protection, Earthing, PV grid and Gold LEED Compliance.
- Advanced insights on smart cities, and modern digital solution services (DSS) as Product Owner intern at ParaOS Department.

Intern LV Panel Builder Engineer | MAM, Certified Schneider Partner (Link)
August 2026 - August 2026

- Detailed insights on LV panels assembly and mechanical processing.
- Learned from expert engineers 3 panels production Quality Control (ATS, MDB, PFC)

Intern Tender Engineer | Orascom Construction PLC (Link)
July 2026 - August 2026

- Reviewed electrical tender documents for substations, power plants and water treatment plants.
- Continuous guidance from 3 Senior Managers and 8 Senior Engineers on the latest technical & commercial trends for a month.

Founder | Complex Games Studio
January 2021 - July 2026

- Developed and launched 7x 3d video games and 5 MVPs, achieved 5-figure income.
- Led a cross-functional team of 6 and maintained 6 private shareholders.

Intern Design Engineer | General Authority for Educational Buildings (Link)
April 2026 - May 2026

- Trained by Senior Electrical Engineers and gained insights from site visits of active electrical bulk equipment.
- Hands-on practical experience designing and distributing electrical loads, panels, and cost calculations.

Trainee Solar Energy Engineer | Engovation (Link)
April 2026 - May 2026

- Completed a dense technical course covering solar grids, their protection and sustainability engineering.

Trainee Electrical Distribution Engineer | IEEE CUSB (Link) February 2026 - May 2026
- Applied AutoCAD, DialuxEVO, MEP Coordination, CB, Cables, Bulk Equipment, Feeding Systems, Load and Cost calculations.

Trainee Power Control Engineer | IEEE CUSB x HA Labs February 2026 - May 2026
- Designed and programmed 20+ projects focused on Power Control and PLC Logic (LogixPro, FactoryIO, Siemens TIA, CADe)

AI Workshop Participant | Google: Build with AI Masr Edition (Link) April 2026 - May 2026
- Chosen among only 5K developers in Egypt, Exposed to the latest technologies at Google Cloud AI.

Workshop Participant | By Schneider, EMAS, HA LABS, EDUVATE (Link) April 2026 - April 2026
- Insights by experienced engineers regarding MV/LV Electrical Panels, Industrial Automation, LV Systems.

Administrative Manager | Al-Mahaba Retail December 2020 - October 2022
- Administrated tasks, tracked inventory, processed shipment, drafted reports and ensured smooth operations.

EXTRACURRICULAR ACTIVITIES

Founder and Chairman | ASUC Student Activity April 2026 - Present
- Managed a total of 4 projects, including projects related to Orascom Construction and Dar Al-Handasa.

Project Manager | ASCE Student Activity Feb 2026 - June 2026

Leader: Entrepreneurship Market Research | AIBE Student Activity Feb 2026 - May 2026
- Awarded Certificate of Honor and Lead a team of 5.

Mentor | Self-Employed Freelance March 2023 - May 2026
- Mentored 18 juniors to achieve success in their startups in the game development industry.

Freelancer Agile Project Manager & Programmer | Self-Employed Freelance June 2020 - May 2026
- Developed and sold over 60 custom digital products and negotiated more than 80 project scopes and budgets.
- Accelerated product release by 60%, Aimed to improve monetization by 25% and achieve 20% of retention.

Usher Organizer | ASU Career Center March 2026 - April 2026
- 2026 Job Faire event with over 29K registered attendees and over 200 mentors and 103 companies.

HIGHLIGHTED PROJECTS

- **Digital twin of an Egyptian home 2026 |** Custom local website, integrated sensors with wifi connections
- **Digital twin of Saudi Offices 2026 |** Autodesk Tandem, Ready for: Sensors integration, Web fetching, Sensors wifi connection
- **Full USA Data Center BIM Design 2026 |** Tier IV 1900m²,Revit,Earthing,Lightning,SLD,ETAP,Dialux,Routing,Coordination,BODR
- **Full 3-storey Saudi School BIM Design 2026 |** Revit,Earthing,Lightning,Bulk Equip.,SLD,ETAP,Dialux,Routing,Coordination,BODR (Link)
- **Full 2-storey Saudi Offices BIM Design 2026 |** Revit,Earthing,Lightning,Bulk Equip.,SLD,ETAP,Dialux,Cable Route,Coordination (Link)
- **Full 3-storey Egyptian Offices Shop Drawing 2026 |** AutoCAD,Section Details,Conduit Routing,Lighting,Small Power,LC (Link)
- **Full 4-storey Egyptian Hospital Design 2026 |** ETAP,AutoCAD,Earthing,Lightning,Schedules,Bulk Equip.,SLD,Dialux,Cable Route (Link)
- **BMS Design & Shop Drawing 2026 |** Cable Tray, Sectioning, Annotations, and Coordination with other disciplines (Link)
- **140+ Rooms of Light Design in a Faculty 2026 |** DIALux Evo and AutoCAD (Link)
- **Street Light Design Corridor with Channel 2026 |** DIALux Evo in compliance with CIE 115 and BS EN 5489 (Link)
- **Physical Street Light Poles Auto-Activate at Night 2026 |** LDR and OpAmp (Link) (Link 2)
- **220V/10V Power Supply + Audio amplifier using MIC&Speaker 2026 |** Breadboard and PCB Design (Link)
- **Plenty of Advanced Classic Control Tasks 2026 |** Extensively used CADe Sim Software (Link)
- **Bidirectional and Sequential Motor Classic Control at HA 2026 |** Practical implementation of Classic Control (Link)
- **Password Security Alarm Door Prototype 2025 |** Using Seven-Segments and timers and ICs in Breadboard (Link)
- **Single Axis Solar Tracker 2025 |** Using LDR, hysteresis comparator, H Bridge Motor Driver, DC Motor, 555 Timer (Link)

CERTIFICATES AND LICENSE

Engineering:
- OSHA by Orascom
- Intro to BIM & ETAP
- BMS Diploma
- Solar Energy & Grids
- Elec. Eng. PreDiploma
- LV Panels
- Prof. Elec. Eng. Diploma

Others:
- Project Management
- Google Cloud
- Financial Literacy
- AI Boost Production
- 7 Programming courses

AWARDS AND HONOR

Engineering:
- IEEE Distribution Top Participant
- Excellent Electrical Design

Others:
- Top Entrepreneur
- Leadership&Team-Work Volunteer
- The Best Performance (School)

LANGUAGES

Native Arabic , Fluent English
